SIGNING IS CONSENT FOR MANDATED HEALTH SERVICES:

MEDICAL EXAMINATION

A medical examination is REQUIRED at time of entry to school:

- Students new to this district, and students in pre-school or Kindergarten

State mandate specifies that this medical exam be done by the student's own health care provider, with a full report sent to the school.

Please have your health care provider complete the UNIVERSAL CHILD HEALTH RECORD and return it to the school.

If your child does not have a private physician or health care provider, please understand that he/she will be scheduled for a new entry school medical examination.

THIS ALSO SERVES AS NOTICE OF THE OTHER MANDATED PROGRAMS:

TUBERCULOSIS (MANTOUX) TEST

A skin test for tuberculosis is done on all students entering from another country or an area designated by the NJ Department of Health and Human Services.

SCOLIOSIS SCREENING

A strip to the waist examination is done by the school nurse, and/or the school physician to determine whether your child's spine is developing straight. This screening is done every other year from 10 to 18 years of age.

HEALTH SCREENINGS

Screenings by the school nurse, as required by the State of New Jersey, include: height, weight, dental, vision, hearing, and blood pressure. You will be notified, by a referral form, if your child needs to have an examination by a health professional following these screenings.
